## LOCAL BRIEVITIES.

Matters of Minor Moment in and About the City.

THE GRAND this evening—"The Police Patrol."

THREE new saloons have been opened in Elmhurst.

ATTENTION is called to the advertisement of Prof. Hermann Schockey in this issue.

A MEETING of the council finance committee was called for last night, but postponed until this evening on account of city day at the State Fair.

In the police court yesterday morning three disorderly cases were arraigned. One was fined \$1 and costs, another \$5 and costs and the third dismissed.

A MEETING of the council committee on police has been called for this evening. There may be a quorum this time, as it has been about six weeks since the committee met.

The second night's performance of "A Silver Wedding" at the Opera House last night, drew a small house.

The show was good, the girls pretty, the music fine. A better patronage was deserved.

Five plain drunks, four disorderlies and a common thief were arrested by the police yesterday. The alleged common thief was caught trying to cut a man's pocket open with a small pair of scissors. Officer Carney locked him up.

The beautiful palm tree presented to Cour de Lion uniformed division K. of P., by Palmetto division, of Charleston, S. C., at Washington City, and described in the INTELLIGENCER's special dispatches at the time, has been put on exhibition at Hannan Bros.' cigar store, on Market street, above the Opera House.

Next Thursday evening Gen. John B. Gordon will deliver his famous lecture on "The Last Days of the Confederacy" at the Wheeling Opera House. Wherever it has been heard this lecture has won the highest praise from the best authorities, and it ought to draw a big audience here. It is a patriotic, sensible, eloquent talk on a subject of the deepest interest.

The Charity Circus.

The executive committee of the Charity circus met last evening and after discussing several minor matters adjourned to meet again at the chamber of commerce on next Monday evening, when the whole committee will be present. The good work goes on arranging for the various acts in the big show and when the time arrives for its production, the public will see the biggest thing of the kind ever put on here. The committees will all meet next week.

## ALFRED CALDWELL

Nominated by the Democrats for State Senator.

## THE SHORT HORSE SOON CURRIED.

The Ohio County Delegation had Decided on ex-Attorney General Caldwell in a Previous Caucus, and his Nomination was a Mere Matter of Form and Quickly Put Through.

Ex-Attorney General Alfred Caldwell was yesterday nominated by the Democratic conference of the first state senatorial district for senator. When the conference met at the Public Building Mr. Robert Simpson was called on to preside over their deliberations and Prof. F. O. Cox, of West Liberty, was chosen secretary. Quite a number of names had been mentioned in connection with the nomination, among them being Peter F. Farrell, C. W. Brockmeyer, Judge Boyd, Judge Jeffers and others, but at a recent caucus of the conference and party leaders Mr. Caldwell was agreed upon to be the nominee, and as Ohio county had the say the nomination yesterday was a mere matter of form.

The conference representing the Ohio county districts were all present but W. L. Rose, of Ritchie district. They were Washington district, Michael Stein; Clay, Robert Simpson; Union, John J. Farrell; Center, C. W. Seabright; Webster, William H. Fee; Richland, Thomas Schaefer; Liberty, Prof. F. O. Cox; Triadelphia, W. V. Hoge, and Madison, John Loomis.

Michael Stein formally placed Mr. Caldwell's name before the convention, and the nomination was made by acclamation and unanimously.

John W. Farrell, C. W. Seabright, Thomas Schaefer and Robert Simpson were named as a committee to formally notify the nominee of his choice, and the conference adjourned.

The general opinion expressed about town yesterday was that Hon. N. E. Whitaker would have an easy thing of it to defeat the Democratic nominee.

## Charleston Laid Up.

The people who control the destiny of the ferry boat Charleston have tired of twisting that craft along the bottom of the Ohio at the public landing and as a consequence the boat has been laid up until there is a fair boating stage. The naphtha launches and skiffs have been impressed into service in the meantime, and probably on Saturday after the State Fair the pontoon bridge will be secured by the ferry company and moved up to the foot of Eleventh street.

## The New Directory.

The current issue of the biennial Wheeling city directory, issued by Mr. W. L. Callen, was put in the hands of subscribers yesterday and upon examination it is found to be the best ever issued by the publisher, which is saying a great deal. In size and binding it resembles its predecessors. The new book includes all changes of residence made up and including the moving of 1894, April 1st.

## A Packed House.

The largest audience of the season witnessed "The Police Patrol," which opened a three nights' engagement at the Grand last night. The company is composed of first class artists. The scenery and mechanical effects are great, especially the patrol wagon with the two horses dashing across the stage. The company will remain at the Grand the rest of the week.

SHIRTS, UNDERWEAR—M. J. M'FADDEN.

World beaters, so everybody says who have tried the Stanley Combination Boys' Suits, and they know a thing or two. Think of a fine, All-Wool, Double-Breasted Child's Suit, age 4 to 15 years, with extra pants, extra buttons and Stanley Cap at \$5.00. Right in fit. Right in style. Right in workmanship. Right in price.

Further argument is unnecessary. To see it is to buy it. You will be doing yourself as well as your boy an injustice if you buy a suit anywhere until you have first seen our Stanley Combination Outfits.

## Children's Short Pants Suits.

EUREKA!

We've solved the mystery. We've met the crying need for clothes that can outwit a buyer's carelessness. The Shadow Suit, the best suit on earth, made with double seat, double knees, double elbow, sewed with best linen thread, and a new suit for every one that will rip. Will give you more service than any you've bought. We haven't had to move the prices any, either. It was a case of "must," and we got there. We start to mark them at the very lowest level that satisfactory value can be found, and stop the minute the last virtue has been added.
